

Boston ElderINFO

Coronavirus Update

At Boston ElderINFO, we are committed to providing older adults and people with disabilities with the services and supports they need during the COVID-19 crisis. Our priority is to continue being a valuable resource during this difficult time while taking the necessary precautions to protect everyone's health and wellbeing.

Toward that end, our emergency response plan provides for all contingencies, including laptops and cell phones for staff to work from home, so we can continue to refer consumers to the services and supports they rely on.

In accordance with the Executive Office of Elder Affairs and Mass Health, we will continue providing essential home care services while adhering to COVID-19 and social distancing protocols, including:

- Grocery shopping and meal delivery
- Personal care and homemaker services
- Medication delivery and supplies, including oxygen, prescriptions, etc.
- Referrals to mental health and substance use resources offering telephonic support

Boston ElderINFO is here to support our consumers in any way we can. Please call us at **617-292-6211** if you need assistance or have any questions.
